WILLIAM CASTORO 3rd Assistant Chief

Dear Community Member,

On behalf of the membership of the Garden City Fire Department, I want to thank you for your continued support. As always, your volunteer neighbors are available to serve you for any emergency you may have in your home or place of business. Your support helps us to maintain a high level of training and service to all that live, work, and pass through Garden City.

Please join our mission to keep you and your family safe by following a few fire safety tips. Be sure that all smoke detectors and carbon monoxide detectors are operable at all times, test them monthly, and change batteries in them twice a year. Detectors must be present on all levels of your home or business. Clean your dryer vents every few months to avoid excess lint build up. In addition, keep ash trays, fireplaces, furnaces and chimneys clean and clear of clutter. Practice kitchen safety by being sure all stoves are turned off after use, and keep all flammables a safe distance from the stove area and away from all open flames.

Once again, I want to "Thank You" for your support of Garden City's Volunteer Firefighters, who work tirelessly to serve you and our community and make Garden City a safe place to live, work and visit.

Sincerely,

Thomas Strysko
